COURSE ENTRY REQUIREMENTS

ENGLISH LANGUAGE AND LITERACY REQUIREMENTS

- We offer the course to people over 18 years of age as we expect people to be adults with some work and life experience.
- The course requires a good level of literacy—speaking, reading and comprehension and writing. This includes effective English language, communications and interpersonal skills and the ability to write a range of documentation. These skills are necessary for a trainer and assessor and indicated in the TAE10 Training Package Assessment guidelines.

TECHNOLOGY REQUIREMENTS

- As a professional trainer you need good computer skills. The course requires you to use a computer and we supply assessments and projects on a USB or CD for you to complete on the computer.
- Students enrolling in the blended learning course must have adequate access to a computer, the Internet and an email address to participate in this mode.
- You will require PowerPoint presentation software for the module Make a Presentation.
- You will communicate with the trainer by email, skype or phone you will send completed work typed up by email attachment or upload to a student portal. So, you do need technology support to make the course as smooth as possible.
- You will videotape some practical sessions and need access to that equipment at those points in the course.

A WORKPLACE OR ORGANISATION WHERE YOU CAN DO THE PRACTICALS AND ASSESSMENTS

If you plan to enrol in the blended learning distance mode, in addition to the above requirements you will require access to a training related workplace to undertake a number of the practical sessions and assessment tasks. You need access to different learners: individuals and groups, on a number of occasions. A suitable workplace may be:

- a registered training organisation (RTO) where the participant is currently working;
- or an enterprise where she/he conducts training,
- or an organisation that regularly conducts staff training.
Hope Institute for Further Education

If you are enrolling in the face-to-face mode, you can use a training related workplace to undertake the final practical sessions and assessment tasks. But you also undertake some assessments in the course in a simulated RTO.

The face-to-face course participants have the option of completing the final project at our venue with the other students in the course.

OUR TRAINERS AND ASSESSORS ARE HERE TO HELP

The trainer and assessor is your main point of contact with Hope Institute. You get to know the trainer in the course or stay in touch by email. If you are studying by distance you may be located in a remote rural town but can still stay in touch by phone and email and video conference.

Whatever mode of study, your trainer will guide you through the learning materials and give you support and instructions. This includes templates and example documents to make your study relevant. When we conduct assessments, there are clear instructions and the assessors must provide the participants with feedback and every opportunity to demonstrate your competence.

WHAT THE PARTICIPANT HAS TO DO

Each participant:

- participates in the training and learning in order to develop their skills;
- attend the workshops, or webinars;
- be attentive and cooperative and makes every attempt to support other students;
- takes responsibility for your own progress as an adult learner (we only enrol students who are over 18 years of age);
- completes and submits work on time in a typed format;
- gain access to a workplace or an organisation where you can conduct the practicals and assessments;
- videotape your practicals OR attend the simulation training and assessments at our venue.

SKILLS YOU MAY ALREADY HAVE

RPL - RECOGNITION OF PRIOR LEARNING is available if you think you are able to gain credit for skills and experience gained during work life. We ask about RPL at the start of the course, at induction and you can discuss this at any time as you progress with assessments. Please speak to your trainer about RPL.

CREDIT TRANSFER (CT)

If you have a qualification or part qualification issued by another RTO we will recognise this and give you credit towards completion of the course. We do need to check that the certificates are valid and authentic.
Hope Institute has written policies and procedures that:

- identify and meet your support needs;
- deliver the training and conduct of assessment;
- document delivery and assessment arrangements;
- keep track of administration and participant records;
- set the standards for trainers and assessors;
- set down how we operate the company and comply with legislation.

Training is available for people without discrimination and the focus is to assist people in professional and personal development.

RTO's must meet legislation in the VET Quality Framework. Our company is audited and must meet and sustain compliance with the legislation that is managed by the regulator, called ASQA (Australian Skills Quality Authority).

LEARNER SUPPORT AND ASSISTANCE

Prior to the course, we explain the entry requirements here in this Handbook, and we ask some questions on the enrolment form about your interest in the course, levels and English and access to technology. We hope that you will identify any support needs or we will see from your enrolment form that we should contact you and clarify your particular needs. We follow up on a case by case basis. The adjustments we can offer are listed below.

While participating in the course you are encouraged to discuss any needs you have with the trainer or our course advisor. These needs may relate to:

- the training and activities required to complete the assessment;
- your environment;
- personal issues that are slowing your progress;
- correct use of learning resources;
- use of computers and submissions;
- or anything that may be a barrier to you successfully completing the qualification.

Support can be offered by

- the course advisor (for simple matters)

We run professional courses for trainers so we do expect people will have good reading, writing and computing skills and this is set out in the entry requirements. We want our participants to succeed in their learning so if you are having difficulties our trainers and assessors can provide the following types of learner support assistance:

There is an administrative fee for replacement of lost course materials.

ATTENDANCE AND PROGRESS

Participants are responsible for managing their attendance – in the classroom or by distance. Participation is compulsory for all students to successfully complete the course and receive your certificate. Please notify our office as soon as possible in advance if you are unable to attend any sessions. You are required to be on time for all your classes, our courses are planned for students to gain their skill set in a short period of time, therefore you need to be present and on time to gain the knowledge necessary to successfully complete the course.

If you are studying via distance mode, we will support you and stay in touch for encouragement and support. Your progress is monitored; you must set aside the time needed to complete your study.

COURSE ENROLMENT FOR DISTANCE LEARNING IS FOR 12 MONTHS AND WE OFFER A COURSE EXTENSION OF TIME

Our courses lengths are set at twelve months and participants are expected to complete training and all assessment within the twelve months from the commencement date. Sometimes, people enrol and start a course but for personal reasons, they may not be able to complete within the agreed dates. We understand that you are busy and offer an extension of time procedure. You must submit your request for an extension before the course expiry date. You must be up to date with course fees at the time of the extension request.
Hope Institute for Further Education

If your request is successful and your extension is beyond the 12 months of the course dates you will be required to pay a course extension fee. A maximum of four months is allowed and HIFE reserves the right to refuse an application for extension.

You must stay in touch by email or phone and re-commence the course at the end of the extension. If you do not re-commence it is deemed a cancellation of the course according to the terms and conditions.

**ASSESSMENT**

**HOW YOU ARE ASSESSED**

Assessment takes place in a range of ways across the course.

Assessments methods include:

- knowledge questions
- demonstration of skills
- case studies and scenarios
- simulation training and assessment sessions
- portfolios of work documents
- projects
- These all play a part in the assessments for each unit.

**WHO CONDUCTS THE ASSESSMENT?**

- A qualified assessor will conduct the assessment

**HOW MANY TIMES CAN YOU ATTEMPT ASSESSMENTS?**

- You can attempt each assessment on 2 occasions with a resubmit request.
- If you have difficulties with assessment this can be discussed with the trainer/assessor.
- Assessments are designed to be flexible, fair, valid and reliable to all parties, and also to meet the guidelines for the unit, relevant legislation and the workplace.

**GETTING RESULTS AND YOUR CERTIFICATE**

- You receive final results at the end of each module.
- Participants assessed as competent in all units will receive the full qualification.
- Those who do individual modules and exit early or who are not yet competent will receive a statement of attainment for units of competency successfully completed.
APPEALING YOUR FINAL RESULTS - OUR ASSESSMENT APPEAL PROCEDURE

1. For all assessment tasks but in particular for summative assessment tasks such as final projects, if the participant appeals the results, the Assessor will immediately discuss the feedback provided and the assessment outcome to clarify the decision of Not Satisfactory or Not Yet Competent. This must be done within 14 days from the result date.

2. If agreement cannot be reached, the participant has the right to request a re-marking where the work is assessed again by the same assessor, or that another assessor undertakes the marking of the submitted work for assessment. This must be done within 14 days from the result date.

3. If the assessment decision remains Not Satisfactory or Not Yet Competent after the re-marking and the participant is still not satisfied, then the Training Manager and/or Director shall meet to discuss the assessment decision. The request must be submitted in an assessment appeal form within 28 days of the date of the remarked results.

4. A meeting or phone conference may be offered to the student who is appealing the decision. Details will be recorded in writing and the appellant informed within 28 days of receipt of the written appeal of the RTO’s decision related to the appeal.

5. If the appellant is still not satisfied with the result and wishes to pursue the matter, Hope Institute offers an external mediation and assessment service through a VET consultancy RTOhelp Pty Ltd. This is the final step in our internal complaints resolution process and we hope the assessment decision can be resolved to the satisfaction of all parties. Again, the decision of the mediation will be recorded and sent to all parties within 28 days of the final mediation and assessment consideration. This will be the final decision.

6. Formal written appeals against an assessment decision must be submitted within 3 months of the submission date of the assessment. Appeals will not be considered after that date.

7. Complaints and appeals are logged in the complaints and assessment appeals register, reported to management meetings and retained in our compliance records.

8. Once mediation and the external assessment services has been provided by Hope Institute, we will advise the student that all internal processes have been exhausted. He/she can take the matter to the Department of Fair Trading. This is the external agency in NSW that deals with consumer complaints.

9. Hope Institute will also provide a link on the website and information in the website FAQ’s about the RTO regulator’s complaints handling process. The Australian Skills Quality Authority (ASQA) is the national regulator for Australia’s vocational education and training sector, it regulates courses and training providers to ensure nationally approved quality standards are met. It is not ASQA’s role to arbitrate between aggrieved parties. ASQA receives and investigates complaints in order to manage the risk of training providers not complying with their legislative obligations. Students will be informed on the regulatory role of ASQA at induction.
A SAFE LEARNING ENVIRONMENT

We provide a sound and safe learning environment for our participants whether they are enrolled by distance or classroom. The venue is checked prior to training and any issues are reported to the office:

- comfortable physical environment
- room size and equipment
- occupational health and safety

SECURITY

- Personal property at training venues - Participants are responsible for their own personal belongings. We will not accept any responsibility for stolen or damaged personal property at a training venue.

EVACUATION

- In the case of an emergency requiring evacuation of the building during one of our courses the trainer will notify his/her class that they will be evacuating the building and follow designated procedures for that site.
- We will always check rolls and names at the meeting point to ensure our course participants are located and safe.

SAFE LEARNING – BULLYING AND HARASSMENT

Harassment and victimisation is offensive, intimidating, uninviting and unwelcome behaviour designed to damage, belittle, or take advantage of, another person. It includes

- physical assault, including sexual assault, offensive jokes and suggestions, verbal abuse,
- distributing or displaying offensive material (pictures, cartoons etc);
- making offensive telephone calls or posting offensive messages in our shared learning space
- making suggestions about sexual activity or sexual favours with threats or promises
- telling jokes or making derogatory comments about a person’s age, sex, race, cultural background or disability;
- isolating, segregating, or humiliating, questioning or ignoring another’s capabilities because they are of a particular gender or belong to a minority group.

The Institute will follow up on complaints of bullying or harassment from participants. You should first talk to the trainer about your circumstances. You may also wish to talk to administration if you are enrolled in the blended learning mode. There is a process to follow such complaints that is fair and meets our legal obligations. You have the right to seek advice from relevant government bodies such as the Anti-Discrimination Board or Ethnic Council.

OUR ADMINISTRATION STAFF ARE THERE TO SUPPORT YOU

The helpful and friendly staff:

- have good communication skills to talk regularly with participants;
- are well organised to handle your assessments and files and make sure everything is kept secure;
- have empathy with people who are studying by distance and may be located anywhere in Australia.

We ensure that your personal information is protected and kept confidential. Our company operates in accordance with the Privacy Act 1988 and the National Privacy Principles.

Participant records are kept in lockable cabinets and on password protected servers in the administration offices. Only those with authority are able to access them. Participant records are not to leave the premises, except for when they are being archived.

**FEEDBACK**

We will ask for feedback regularly. We will use approved surveys and act on any negative feedback as an opportunity to provide improved customer service.

**GENERAL FEEDBACK FROM OUR WEBSITE**

There is an area on our website that asks for feedback. Please use it and we will remind you to use our surveys on the website during the course. We are always listening to our clients feedback.
OUR COMPLAINTS PROCEDURE

1. In the first instance, the complaint should be discussed with the relevant member of staff – be it in administration or training. We encourage students to talk directly with the person involved.

2. Where that is not appropriate, the complaint can be discussed with the Training Manager or Director – by phone or through email. We will seek an immediate resolution of the matter if possible.

3. If the complainant is not satisfied with the suggested resolution, the complaint should be recorded in writing on a complaints form and submitted. This form can be downloaded from the website and sent by email. The Director will consider the written complaint. Where the matter may involve the Director or the Training Manager, Hope Institute will use an agreed third party to consider the complaint and the resolution proposed by Hope Institute. This will make the process fair and transparent.

4. A meeting or phone conference may be offered to the complainant. Details of any meetings with the complainant will be recorded in writing and the complainant informed within 28 days of receipt of the written complaint of the RTO’s decision related to the complaint.

5. If agreement still cannot be reached, and the complainant wishes to pursue the matter, Hope Institute offers a mediation service through the Australian Council for Private Education and Training (ACPET). This is the final step in our internal complaints resolution process and we hope the complaint can be resolved to the satisfaction of all parties. Again, the decision of the mediation will be recorded and sent to all parties within 28 days of the final mediation meeting. This will be the final decision.

6. Complaints and appeals are logged in the complaints and assessment appeals register, reported to management meetings and retained in our compliance records. We treat complaints as feedback that can improve our client services and continuous improvement.

7. Once mediation has been provided by Hope Institute, we will advise the complainant that all internal processes have been exhausted. He/she can take the matter to the Department of Fair Trading. This is the external agency in NSW that deals with consumer complaints.

8. Hope Institute will also provide a link on the website and information in the website FAQ’s about the RTO regulator’s complaints handling process. The Australian Skills Quality Authority (ASQA) is the national regulator for Australia’s vocational education and training sector, it regulates courses and training providers to ensure nationally approved quality standards are met. It is not ASQA’s role to arbitrate between aggrieved parties. ASQA receives and investigates complaints in order to manage the risk of training providers not complying with their legislative obligations. Students will be informed on the regulatory role of ASQA at induction.
COURSE FEES AND PAYMENT PLANS
